

**DIGITAL
NAFLD
SUMMIT
2021**

16–17 September 2021

Top 3 reasons to attend:

- 1** Gain deeper insights into the latest thinking in NAFLD/NASH research from the leading minds in the field.
- 2** Learn from top clinical & basic researchers about the cutting-edge developments and future of the NAFLD area.
- 3** Discuss measures to overcome the growing health burden that NAFLD is quickly becoming worldwide.

Register with early fees by 9 August!
